### Guest Speakers

#### Leadership Development

**Jo Miller, CEO of Women's Leadership Coaching, Inc.**

#### *Become a Person of Influence*

The people who break through into senior leadership positions get there by mastering the art of influence. Explore ways to gain a voice and a seat at the table in your company. Understand the mechanisms of power within your organization and identify six sources of

influence you may not be fully utilizing.

#### *Build Your Brand as an Emerging Leader*

Are you the best-kept secret in your organization? What does it take to be recognized as an emerging leader? Uncover the three essential elements of an effective personal brand and the five key steps to increasing visibility. Learn how to attract high-profile projects and solidify your reputation as a leader.

**Don Bramlett**

The **Leadership Skills Workshop** is intended to help participants develop and improve interpersonal, group, team and leadership skills. The workshop is targeted to those in management or leadership roles in business, industry, academia or volunteer organizations. However, anyone interested in further developing these skills in dealing with people and working within any type of organization

will benefit from the workshop. The format for the workshop includes the presentation of the core material and interactive participation; using exercises, case studies and open discussion. Topics include: Leadership, Interpersonal Communications, Conflict Management, and Problem Solving & Decision Making.
